HSBC Malta installs a new ATM in Sliema

HSBC Malta has installed its newest Automated Teller Machine (ATM) in Sliema, near Marks & Spencer at The Strand Seafront, to better meet the needs of the general public.

This new addition in Sliema brings the total number of HSBC Malta ATMs to 81. The walk-up ATM offers a range of automated services, including cash withdrawals as well as cheque and cash deposits. This new teller machine also offers voice guidance and enlarged font capabilities making it more accessible for customers with special needs or impaired vision.
