## HSBC Malta reopens Żurrieq branch

As of Monday 20 July 2020, HSBC Malta will be reopening its Żurrieq (tellerless) branch.

The reopening of the Żurrieq branch follows the recent reopening of another three branches in Birkirkara, Swieqi and Żejtun that will complement the five principal branches that have remained open throughout the COVID-19 pandemic at Valletta, Mosta, Sliema, Paola and Victoria (Gozo).

HSBC Malta's CEO, Simon Vaughan Johnson, said: "The situation in Malta has stabilised for now and the lifting of measures, coupled with low numbers of active cases, is allowing us to gradually reopen a number of branches. We are mindful of the need to have the necessary protocols in place so we are taking all the necessary precautions to ensure the continued safety of our customers and employees."

HSBC Malta's branch opening hours are from 08:30 to 13:30 from Monday to Thursday, from 08:30 to 16:00 on Friday and from 08:30 to 12:30 on Saturday.

The bank encourages customers to access banking services through Credit & Debit Cards and alternative channels such as Mobile, Internet, ATMs and Deposit Machines.
