HSBC Malta extends partnership with Malta Development Bank to support SMEs with enhanced financing options

HSBC Malta is pleased to announce the extension of its agreement with the Malta Development Bank (MDB) to continue offering loans to small and medium-sized enterprises (SMEs) under the SME Guarantee Scheme (SGS) and the Guaranteed Co-Lending Scheme (GCLS) until the end of 2027. This renewed partnership reinforces HSBC Malta's commitment to supporting local businesses with tailored financial solutions that drive growth, innovation and job creation.

The schemes, backed by the European Investment Fund (EIF) under the EU's InvestEU Programme, are designed to provide SMEs with access to vital funding for sustainable investment and long-term development. Through the renewed agreement, businesses can now apply for loans of up to €1 million under the SME Guarantee Scheme (SGS) and for loans exceeding €1 million up to €10 million under the Guaranteed Co-Lending Scheme (GCLS).

"We are proud to continue our partnership with the Malta Development Bank, which enables us to provide SMEs with the financial support they need to thrive in today's competitive market," said Joyce Grech, Head of Commercial Banking at HSBC Bank Malta. "These schemes are a testament to our ongoing commitment to fostering innovation, sustainability, and economic growth in Malta."
